The Challenge

JJ Rhatigan & Company Limited approached BR Network again to assist on this project to find Companies for 12 different trades interested in pricing their job.

The Solution

Tender Alerts immediately sent to all relevant sub-contractor customers covering each trade.

All sub-contractors who responded “yes” were called and then e-mailed to confirm their interest.

The Project

University of Essex

The Value

£12 Million

The Results

The job was successfully delivered and Tenders sent to BR Network to forward onto the sub-contractor Customers to price.

JJ Rhatigan & Company Limited continue to use BR Network to assist with both Secured and Unsecured work with BR assisting with well over £115 million of projects so far.

Many BR customers have won work and gone on to build strong relationships with JJ Rhatigan & Company.

Thomas Stenson, Estimator says “I have often used BR to source Sub-Contractors especially when working in new areas where we may not have a supply chain built up. Very useful as they already have the connections in place and know the companies who are keen to price our work.”
